The Merits of LUXURY

Luxury is defined as a state of great comfort and elegance.

The advantages of true luxury products increase over time. The more time you spend using them, the more you appreciate them. It comes at a price because it delivers both value and pleasure.

Something of true quality will validate your choice every day that you enjoy it and every time that you look at it. It will bring you peace of mind as well as the pleasure of enjoying its enduring style and performance.

Born of technology, Inspire® perfectly imitates noble materials while providing the distinct advantages of advanced manufacturing processes and product design without compromising aesthetics and performance.

Unsurpassed Beauty and Superior Performance are the quintessential qualities that define Luxury, and precisely why discerning homeowners choose Inspire® Roofing Products for their homes. Choose nothing less than the best for your home.

CLASSIC SLATE | CHARCOAL BLACK

Classic SLATE

Elegance, Tradition, Performance.

Inspire® Classic Slates' textured surfaces and deckled edges are modeled from authentic natural slates, imparting a controlled uniformity that epitomizes natural slate roofing. Classic Slate delivers the appearance of a natural slate roof while offering lightweight, low-cost, durability and cutting edge, environmentally conscious material technology that goes into every slate.

Natural Look

Durable

Lightweight

Color Mix PROGRAM

Inspire® by Boral Color Mix program allows you to choose up to five colors for a Classic Slate mix to create a roofing color palette that is uniquely yours. With Inspire® mixes, there is never any need to shuffle tiles from multiple bundles prior to installation. Each bundle from Inspire Roofing Products comes factory-sorted and ready for application. Create your own mix that fits your homes style.

Customizable

Sustainability Without Compromise

You do not have to compromise the beauty of your home to be sustainable. Inspire® by Boral Classic Slate Roofing Products offers a wide palette of Cool Roof Colors that promote environmentally sustainable living. This is achieved by decreasing your home's carbon footprint and energy consumption by as much as 15%, as stated by the Cool Roof Rating Council and ENERGY STAR. Inspire® by Boral Classic Slate roofing products offer innovative color technology by reflecting the sun's energy and keeping your home cooler, hence reducing the need for air conditioning while lowering its carbon footprint and heat island effect.

ABOUT BORAL ROOFING

Boral Roofing LLC is a subsidiary of Boral USA and is the country's largest premium provider of complete roofing and re-roofing solutions for architects as well as commercial and residential builders. Boral Roofing operates manufacturing plants throughout the US.

ABOUT BORAL NORTH AMERICA

Boral Roofing LLC is a subsidiary of Boral USA and is the country's largest premium provider of complete roofing and re-roofing solutions for architects as well as commercial and residential builders. Boral Roofing operates manufacturing plants throughout the U.S.

ABOUT BORAL NORTH AMERICA

Headquartered in Roswell, Georgia, Boral North America is a leader in key construction materials and building products markets with operations across the USA, Canada, and Mexico. In 2017 Boral acquired Headwaters Incorporated, expanding Boral's product offering and manufacturing and distribution footprint across North America. In construction materials, Boral has a national footprint and industry-leading position in the processing and distribution of fly ash – a by-product of coal combustion.

In building products, Boral manufactures and supplies cladding, roof tiles, windows, and other light building products for residential and commercial markets nationally. Boral's manufactured stone veneer includes leading brands Cultured Stone® by Boral®, Boral Versetta Stone®, Eldorado Stone®, Dutch Quality Stone®, and StoneCraft Industries®. Boral's light building products portfolio includes Boral TruExterior® Siding & Trim – a pioneer of the innovative poly-ash category of exterior building products – as well as shutters, gable vents, mounting blocks, and tool systems. In roofing, Boral is a leading manufacturer of clay and concrete roof tiles, and also produces composite polymer and stone-coated metal roof tiles.

Boral also has a 50% share of the Meridian Brick joint venture, a leading clay and concrete brick manufacturer which was formed with Forterra Brick in 2016.
