

LANDMARK SOLARIS® PLATINUM

Solar Reflective Shingles

Shown in Sierra Buff

Landmark Solaris Platinum shingles have taken solar reflective roofing technology to the next level by providing residential roof surfaces with a Solar Reflectivity of 0.40 (SR40).

This exceptional level of Solar Reflectivity is 60% greater than the minimum initial SR25 value required for ENERGY STAR® qualification of residential shingles and is 50% greater than that of typical solar reflective residential roofing shingles on the market today.

- Two-piece laminated fiber glass-based construction
- Meets ENERGY STAR requirements
- Lifetime limited transferable warranty – residential*
- 50-year limited transferable warranty – group-owned or commercial*
- 15-year StreakFighter® warranty **STREAK**Fighter[®]
- 10-year SureStart™ protection
- 15-year 110 mph wind-resistance warranty
- Wind warranty upgrade to 130 mph available. CertainTeed starter and CertainTeed hip and ridge required

See warranty for specific details and limitations.
