Don't just be compliant...be

CALIFORNIA COOL

*Can be used to comply with 2016 Title 24 Part 6, Cool Roof requirements of the California Code of Regulations

Made with a new innovative granule technology, GAF Timberline HD® Reflector Series™ Plus Shingles lock in the vivid color you've always wanted in a cool roof.

Why go elsewhere when you can install America's favorite shingle in a great selection of highly reflective shingle colors to meet your cool roofing needs!

Los Angeles County code compliance

With Timberline HD® Reflector Series™ Plus Shingles, you get proven performance and reliability as well as beauty — plus potential cooling cost savings!¹ They also:

- Meet Green Building Standards Code of Los Angeles County for residential buildings
- Can be used to comply with 2016 Title 24, Part 6, Cool Roof Requirements of the California Code of Regulations
- Are rated by the Cool Roof Rating Council

¹Energy cost savings are not guaranteed and the amount of savings may vary based on climate zone, utility rates, radiative properties of roofing products, insulation levels, HVAC equipment efficiency, and other factors.

The coolest colors on the coast!

Featuring GAF proprietary color blends and an enhanced shadow effect, Timberline HD® Reflector Series™ Plus Shingles offer a genuine wood-shake look that's sure to please.

And now, thanks to innovative EcoDark™ granules, you can enjoy a highly reflective, darker-colored roof that meets the cool roof requirements of L.A. County!

You can finally have the rich, vibrant colors you've always wanted in a cool roofing shingle, including Charcoal.

What could possibly be any cooler?

Timberline HD® Reflector Series™ Plus Shingles May Help Save On Cooling Costs!¹

GAF, North America's largest roofing manufacturer, is proud to introduce Timberline HD® Reflector Series™ Plus Shingles. They're your best choice for the cool roof you need with the distinctive style and color you crave!

- Timberline HD® Reflector Series™ Plus Shingles meet Green Building Standards Code of Los Angeles County for residential buildings
- Timberline HD® Reflector Series™ Plus Shingles can be used to comply with 2016 Title 24, Part 6, Cool Roof Requirements of the California Code of Regulations

- **Timberline HD® Reflector Series™ Plus Shingles** are rated by the Cool Roof Rating Council
- **Beautiful Look...** Features GAF proprietary color blends and enhanced shadow effect for a genuine wood-shake look
- **High Performance...** Designed with Advanced Protection® Shingle Technology, which reduces the use of natural resources while providing excellent protection for your home (visit gaf.com/aps to learn more)
- **Stays In Place...** Dura Grip™ Adhesive seals each shingle tightly and reduces the risk of shingle blow-off. Shingles warranted to withstand winds up to 130 mph!²
- **Highest Roofing Fire Rating...** UL Class A, Listed to ANSI/UL 790
- **Peace Of Mind...** Lifetime limited transferable warranty with Smart Choice® Protection (non-prorated material and installation labor coverage) for the first ten years³

Timberline HD® Reflector Series™ Plus Shingles have earned the Good Housekeeping Seal (applicable in U.S. only).

2012 - 2019 WOMEN'S CHOICE AWARD®
9 OUT OF 10 CUSTOMER RECOMMENDED ROOFING PRODUCTS

¹ Energy cost savings are not guaranteed and the amount of savings may vary based on climate zone, utility rates, radiative properties of roofing products, insulation levels, HVAC equipment efficiency, and other factors.

² This wind speed coverage requires special installation; see *GAF Shingle & Accessory Limited Warranty* for details.

³ See *GAF Shingle & Accessory Limited Warranty* for complete coverage and restrictions. The word "Lifetime" refers to the length of coverage provided by the *GAF Shingle & Accessory Limited Warranty* and means as long as the original individual owner(s) of a single-family detached residence [or the second owner(s) in certain circumstances] owns the property where the shingles are installed. For owners/structures not meeting the above criteria, lifetime coverage is not applicable.

Better for the environment... better for you!

A cool roof from GAF helps minimize solar heat gain by reflecting incoming sun rays and re-emitting the absorbed energy — thereby reducing the heat going into the house and in the attic. This may translate into savings on air-conditioning bills.¹

¹ See footnote on previous page.

LIFETIME* ROOFING SYSTEM

gaf.com

When you install any GAF Lifetime Shingle and at least 3 qualifying GAF accessories, you'll automatically get a Lifetime limited warranty on your shingles and all qualifying GAF accessories.*

Durable Protection. Lasting Beauty.

Ridge Cap Shingles
The finishing touch that helps defend against leaks at the hips and ridges

Cobra® Attic Ventilation
Helps reduce attic moisture and heat

Lifetime Shingles*
Beautify & protect for years to come

Starter Strip Shingles
Helps guard against shingle blow-offs

Leak Barrier
Helps prevent leaks caused by wind-driven rain and ice dams

Roof Deck Protection
Helps shield the roof deck from moisture infiltration

*See GAF Shingle & Accessory Limited Warranty for complete coverage and restrictions. The word "Lifetime" refers to the length of coverage provided by the GAF Shingle & Accessory Limited Warranty and means as long as the original individual owner(s) of a single-family detached residence (or the second owner(s) in certain circumstances) owns the property where the shingles and accessories are installed. For owners/structures not meeting the above criteria, Lifetime coverage is not applicable. Lifetime limited warranty on accessories requires the use of at least three qualifying GAF accessories and the use of Lifetime Shingles.

To learn more about why Advanced Protection® Shingles are your best choice, visit gaf.com/aps.

The GAF Lifetime Roofing System has earned the prestigious Good Housekeeping Seal (applicable in U.S. only).
